GAME OF TRONS

Capture The Flag

2021

26.11.-27.11.2021
GO.UNIBW.DE/CTF

To Populate continents and gain dominance is the goal of this year's CTF.
Instead of murder and intrigue, solving murderous challenges shall be the order of the day.
With this goal in mind, the delegates will meet on 26./27. of November at the Universität der Bundeswehr München (and online) to compete in a Jeopardy-style competition.

Register now to get the chance to become the winner!

What is the goal of the event?
• Solve IT security challenges in your team
• Acquire and expand new skills and abilities
• Meaningful and constructive distraction from everyday student life
• Fun and good mood

Who is allowed to participate?
All those, who are interested in IT and IT security.
It is irrelevant from which study program or field of activity you come from and what previous knowledge you have.

A successful qualification is precondition and is going to take place online from 21. - 25. of October 2021.
